

TENNIS: ADVANTAGE KIDS

A revolutionary change in the way kids 10 and under learn and play tennis, as well as compete, is happening across the country, and your kids should be a part of it! Smaller courts, lighter and lower bouncing balls and smaller and lighter racquets fit your child's size. It all makes it easy and fun for them to hit, play and score from the start – while developing skills that will last a lifetime.

**Jackson Area Tennis Association
presents 10 and Under Tennis**
